## “The Lightning Bug”

“I’ll Shine My Light In This Dark World!”

“Let your shine before men...” - Matthew 5:16

This week, we continue the series called, “Bugs”. In this lesson, we learn that we can light up the world and make a huge difference!

**Read:**

Exodus 34

**Ask:**

- Why was Moses needing strength? Where did he go for strength?
- What happened after Moses had spent time on the mountain?

**Say:**

Jesus said, “I am the Light of the world.” We, too, are supposed to duplicate that light.

This world is full of sin. Sin tries to choke out the Light that Jesus put inside each of us. Sometimes we try to hide that light and keep it from being seen for fear we may be made fun of or criticized.

Jesus told us that we should be like a city on a hill with a light that can’t be hidden. We are to SHINE the light of Jesus all over the darkness. Even the smallest light can cut through the thick layers of darkness that sin brings into the world.

**Ask/Discuss:**

- What does it mean to shine your light? How can you shine your light?
- Do you think it is easy to shine your light?

**Pray:**

Pray with your child that they will shine their light in their school and in their neighborhood so that all people will see Jesus in us.
