“Spider”

“I’ll Avoid The WEB Of Temptation!”

“Resist the devil, and he will flee from you!” - James 4:7

This week, we continue the series called, “Bugs”. In this lesson, we learn just how God has given us the ability to avoid being trapped in the web that Satan has laid out for us.

Read:

Matthew 4:1-11

Ask:

- Where was Jesus when Satan came to tempt him?
- What were the ways that Satan tempted Jesus?

Say:

Spiders weave webs to trap their prey. They lie in wait for an unsuspecting insect to fly or crawl into the web and get stuck. Then, the spider moves in for the kill.

Satan, our enemy, does much the same with us. He weaves a web of temptation in order to trap us into sin. Much of the time, if we are not careful and looking out for it, we will get caught in the web of temptation and fall into sin.

Satan is very crafty in his ways of trapping us. We must be aware of his schemes in order to avoid getting caught in the web of temptation.

Ask/Discuss:

- How has Satan tried to tempt you? Have there been times you gave in to temptation?
- How can you try to avoid temptation?

Pray:

Pray for your child to be strong and resist the devil’s web of temptation. Pray for them if they have fallen into sin already and lead them in a prayer for forgiveness. Pray that God will help them to recognize where they are weak and help them to stay strong in those areas.
