

# FAMILY DEVOTION!

## “Are You Thirsty?”

“Take A Drink From Jesus, And You’ll Never Thirst Again!”

*“But those who drink the water I give will never be thirsty again. It becomes a fresh, bubbling spring within them, giving them eternal life.” - John 4:14*

This week, we continue our series called, “Elisha: God’s Powerful Prophet.” In this lesson, we learn that when we have a need, we should admit it to God. From the Bible Story, we learn that when God gives instructions on what to do about our needs, we should listen to what He says, even if it doesn’t make sense. Then, when we’ve admitted our needs and obeyed God’s instructions, we can expect to receive God’s blessings!

### Read:

2 Kings 3:1-24

### Ask:

- What did the three armies realize after seven days of traveling in the desert? What did they need?
- Who did they go to for help? What did he say God would do?
- Did God come through? If so, how?

### Say:

The world is full of people who have great needs. Even we, as Christians, have significant needs. Sometimes we need healing. Sometimes we need miracles in our families. Sometimes we need friends at school. Sometimes we need to feel loved and valued. No matter the size of the need, we all have needs to be met, and the solution for all of those needs comes from God!

### Ask/Discuss:

- Do you have any needs in your life right now?
- What should we do about the needs we have in our lives?

### Pray:

Pray for your children’s needs in their lives. Pray that they will admit their needs to God, do what He says, even if it doesn’t make sense, and begin to receive God’s blessings!
