

FAMILY DEVOTION!

“Don’t Judge Others, Or You Will Be Judged”

“God Is The Judge, And I AM NOT!”

“Do not judge, or you too will be judged.” - Matthew 7:1

This week, we continue the series called, “Ouch!”. This week, we learn not to be a “rock thrower”, judging others, but to be a “grace giver” instead. If God is still working on us, we must allow him to work on others.

Read:

John 8:1-11

Ask:

- Who brought the woman to Jesus? Why?
- What was Jesus’ response? Were the Pharisees innocent?

Say:

Have you ever known someone that was SO BAD that you thought, “They could NEVER become a Christian!”? OR have you ever known someone who had done so many sinful things that you thought, “That person sure does deserve some punishment!”?

Well, that’s exactly what the Pharisees thought when they brought the woman to Jesus in today’s Bible Story. This woman had been caught sinning. She had a bad reputation and everyone seemed to know that she was guilty of sin. The Pharisees brought her before Jesus, and they planned to “stone” her.

Ask/Discuss:

- Have you ever been a “rock thrower” instead of a “grace giver”?
- What do you think you could do instead of judging others?

Pray:

Pray for child if they have been guilty of judging others and “throwing rocks” at others. Pray that they will remember they are sinners too. Pray they will receive forgiveness for their sins (including judging others) and choose to be a “Grace Giver” like Jesus.
